Joddha Projects Private Limited is an integrated Engineering, Procurement and Construction (EPC) company delivering end-to-end infrastructure solutions across renewable energy and industrial engineering.

Our expertise spans Solar, Wind, Battery Energy Storage Systems (BESS), Electrical, Mechanical, Fire Protection, Testing, Commissioning and Operations & Maintenance. We deliver reliable, safe and sustainable infrastructure through engineering excellence, quality execution and customer-focused project management.

COMPANY AT A GLANCE

- Integrated EPC Company
- ISO 9001, 14001, 45001 Certified
- A-Class Electrical Contractor
- Experienced Engineering Team
- PAN-India Presence
- Commitment to Quality, Safety and Timely Delivery

OUR EPC SOLUTIONS

- SOLAR SOLUTION
- WIND SOLUTION
- BESS SOLUTION
- ELECTRICAL SOLUTION
- FIRE PROTECTION
- MECHANICAL SOLUTION

OUR CORE VALUES

- INTEGRITY
- ENGINEERING EXCELLENCE
- INNOVATION
- SAFETY
- CUSTOMER COMMITMENT

WHY JODDHA PROJECTS

- End-to-End EPC Solutions
- Technical Expertise & Innovation
- Quality Execution & Safety Culture
- Timely Delivery & Cost Efficiency
- Dedicated Operations & Maintenance Support

Delivering sustainable engineering solutions that accelerate the transition to clean and efficient energy infrastructure.

350+ PROJECTS DELIVERED

10+ YEARS OF EXPERIENCE

WHY CHOOSE JODDHA PROJECTS

A trusted EPC partner delivering integrated, innovative and sustainable engineering solutions.

INTEGRATED EPC SOLUTIONS

End-to-end solutions under one roof from concept to commissioning with complete accountability.

EXPERIENCED ENGINEERING TEAM

Skilled engineers and project managers with deep domain expertise and industry experience.

QUALITY ASSURANCE

Robust quality control at every stage ensuring reliability, compliance and long-term performance.

SAFETY FIRST

Safety is embedded in our culture and processes to protect people, assets and the environment.

ON-TIME PROJECT DELIVERY

Efficient planning, advanced execution and proactive monitoring to deliver projects on schedule.

DEDICATED O&M SUPPORT

Comprehensive operation & maintenance support for optimum performance and peace of mind.

OUR EPC CAPABILITIES

- SOLAR SOLUTION
- WIND SOLUTION
- BESS SOLUTION
- ELECTRICAL SOLUTION
- FIRE PROTECTION
- MECHANICAL SOLUTION

Delivering sustainable engineering solutions that accelerate the transition to clean and efficient energy infrastructure.

350+ PROJECTS DELIVERED

10+ YEARS OF EXPERIENCE

INTEGRATED EPC EXECUTION

From Concept to Commissioning

A seamless, end-to-end EPC approach ensuring quality, safety and on-time delivery across every project phase.

SITE SURVEY

Assess site conditions, understand requirements, and ensure feasibility.

ENGINEERING

Deliver innovative, safe and cost-effective engineering solutions.

PROCUREMENT

Source quality materials from trusted partners at optimal value.

CONSTRUCTION

Execute with precision, adhering to highest quality and safety standards.

TESTING & COMMISSIONING

Rigorous testing, quality checks and commissioning for reliable performance.

OPERATION & MAINTENANCE

Provide continuous support for maximum uptime and efficiency.
